

SUICIDE PREVENTION ONE DAY EVENT 2023

Sharing the best initiatives and encouraging collaboration across Auckland & Waitemata.

An opportunity to hear what others have been up to and explore what could be possible if we collaborated more in the mahi to prevent suicide. Let's inspire each other to keep pushing for better outcomes!

Date: Thursday 23 March 2023

Venue: Fickling Centre– 546 Mt Albert Road, Three Kings, Auckland

Attendees: All those working in the suicide prevention space across Auckland & Waitemata.

Time: 10am – 3pm – Lunch will be provided.

The day itself will be split into two main activities:

In the morning hear from organisations like Te Whatu Ora, Le Va, Asian Family Services, 1737 and others on the work they have been doing.

In the afternoon, contribute to a brainstorm on how we can encourage collaboration and strengthen each other's initiatives. As a group we will discuss how events like this could support this work into the future and expand to include more regions.
