

Former Refugee & Asylum Seeker Health & Wellbeing Forum (Endorsed CPD Activity)

Topic: COVID-19 vaccine and vaccination roll-out.

Who: Primary health professionals, community workers and service providers who engage with former refugees & current asylum seekers living in Auckland

What: The forum will provide an in-depth overview of the COVID-19 vaccines available in NZ, the ingredients in the vaccines, effectiveness, safety and health concerns. Information will also be shared about the vaccination roll out, what to expect in the weeks and months to come as vaccine roll out intensifies.

Presenters: 1. Immunisation Advisory Centre (IMAC): *Dr Edwin Reynolds and Dealla Smith, COVID-19 Education Facilitators.*
2. Northern Region Health Coordination Centre (NRHCC): *Vaccination Programme Advisor.*

When: Tuesday 3 August 2021, 6.00 - 7.00pm
(Doors open at 5.30pm)

Where: Waikowhai Room, Fickling Centre, Three Kings, Auckland

Register: email Daleen at Daleen.iandoli@waitematadhb.govt.nz by COB Friday 30 July (for catering purposes). Please include your Name, Role and Organisation.

The **Auckland Regional Refugee Health Network (ARRHN)** forums have been endorsed by The Royal New Zealand College of General Practitioners (RNZCGP) and has been approved for up to 1.5 CME credits for the General Practice Educational Programme (GPEP) and Continuing Professional Development (CPD) purposes.
