

Refugee Health Forum (Endorsed CPD Activity/CNE)

Topic: Social wellbeing – understanding welfare entitlements for former refugees & asylum seekers and how we can improve their access to it.

Who: Primary health professionals, community workers and service providers who engage with former refugees & asylum seekers living in Auckland

What: Providing information about specific support services that are available to former refugees & asylum seekers through Ministry of Social Development and working together to address the barriers and improve access to the services.

Why: To assist individuals, primary health professionals, community agencies and organisations in supporting former refugees & asylum seekers to better access community services

When: Tuesday 30 April 2019, 6.00 - 7.30pm
(Doors open at 5.30pm)

Where: Lynfield Room- Fickling Centre
546 Mount Albert Rd, Three Kings, Auckland

RSVP: email Daleen at Daleen.iandoli@waitematadhb.govt.nz or ph. 09 442 7150 by COB Friday 26 April 2019 (for catering purposes). Indicate if you have any special dietary requirements. Please include your Name, Role and Organisation.

If you are representing an agency/service provider, please bring pamphlets/brochures to promote your services. Display table will be made available.

The **Auckland Regional Refugee Health Network (ARRHN)** is made up of: GPs, Practice nurses, Public health nurses, School nurses, Practice managers, Community health workers, and other health and social sector professionals from NGOs, PHOS and DHBs who are committed to strengthening practitioner's knowledge, skills and awareness of former refugee health needs.

ARRHN forums have been endorsed by The Royal New Zealand College of General Practitioners (RNZCGP) and have been approved for up to 1.5 CME credits for the General Practice Educational Programme (GPEP) and Continuing Professional Development (CPD) purposes.
